

08/429494

A cross-sectional diagram of a mechanical assembly. A central vertical shaft (7) passes through a block (11). The shaft has a wider upper section (3) and a narrower lower section (4). A flange (5) is located on the shaft between sections 3 and 4. The shaft terminates in a small tip (9) within a cavity (10). The block (11) has diagonal hatching. Other labels include 2, 6, and 12 pointing to different regions of the block.
